Honourable Mike Nixon
Minister of Health and Social Services
Cabinet Office
Main Administration Building
CM8

Dear Minister Nixon:

Re: *Health Information Privacy and Management Act* Regulation Development

Thank you for your letter of September 23, 2015, inviting me to provide input on the development of the *Health Information Privacy and Management Act* (HIPMA) regulations.

Attached are my comments for your consideration on what is proposed in the Public Discussion Document for regulations under the HIPMA. Included are my comments on some of the regulations permitted for development under section 127 of the HIPMA that are not proposed in the Public Discussion Document and which may have implications for Yukoners if not developed before the HIPMA is brought into force.

I would be pleased to discuss my comments with you in further detail should you wish to do so.

Kind regards,
