Dear Sirs / Mesdames:

**Re: *Health Information Privacy and Management Act*
Complaint File HIP17-081**

This is the response of the Yukon Hospital Corporation (“YHC”) to the letter from the Information and Privacy Commissioner dated April 17, 2018.

Pursuant to section 112(1) of the *Health Information Privacy and Management Act*, YHC will follow recommendations “a”, “b”, and “d”, as set out in paragraph 100 on page 41 of the Consideration Report dated March 16, 2018 in File HIP17-081.

YHC refuses to follow recommendation “c” in paragraph 100 on page 41 of the Consideration Report, for the reasons previously set out in our letter dated April 13, 2018.

Yours truly,

BORDEN LADNER GERVAIS LLP
